

**Grant Assistance for
Grass-roots Human Security Projects (GGP)**

Embassy of Japan in Malaysia

What's GGP?

GGP (Grant Assistance for Grass-roots Human Security Projects) is . . .

A financial assistance scheme which supports the following projects proposed by such bodies as **non-profit organizations and local governments.**

- 1. Projects for socio-economic development such as primary health care, public welfare, environment, etc.**
- 2. Projects to improve the well-being of those at grass-roots level**
- 3. Small Projects (under 10mil yen (≐ RM330,000))**

(* Generally, the GGP supports the Hard Component (for example construction of building and purchase of equipment) of the project. However the Soft Component (for example expense of seminar) can be supported by GGP if it fulfills the important aspect of human capacity building.)
