

## INTERVIEW SERIES WITH ALUMNI OF 'LOOK EAST POLICY'

# ZAWIAH BINTI ZAKARIA

### Tell us about your study in Japan

1999 - Toyama University. First time experience travel outside country. By own self travel from Tokyo to Toyama by express train. But, the travel journey is convenient and safe.

### What surprised you in Japan

First time see snow when arrive in Japan. Very beautiful sight in 4 season country. Need a preparation of wearing costume and house facilities. New experience and learn a lot.

### Look East Policy & you

A good policy for development of a country with positive etiquette of East culture. Japan is a developed country and give a path to how to become developed country to Malaysia.

### Your favourite:

#### Person

Foreign Student Centre; responsible lecturer, Ms Kato. She is very responsible and supporting foreign student.

#### Place

Otaru, Hokkaido. Beautiful nature science, fresh seafood, home of musical box in Japan.

#### Food

Mochi and tempura shrimp.

#### Custom

- ◆ Respect each other.
- ◆ Have a clean mentality.
- ◆ Always think about environment.
- ◆ Able to express our appreciation to others.
- ◆ Always think of others.

## Future of Malaysia & Japan

Gov. with Gov. : Will be better and become more close partner.

Citizen with citizen : Appreciate each other and able to make a good cooperation with trust and culture.

## Additional

Looking forward for Japan to share and teach us on making long term planning in culture, environment, and society development.
