Kayoko, a promising new writer, won an award but saw her debut dreams dashed by the brutal criticism of the esteemed author Higashijujo Munenori, leaving her unable to find a platform for her work. Determined to exact revenge, Kayoko checks into her dream destination, the Hill Top Hotel, only to discover that Higashijujo is staying just above her! With the help of her university mentor and editor, Endo, Kayoko disrupts Higashijujo's writing and sabotages his literary magazine deadline. But this is just the beginning of Kayoko's further trials and tribulations. As Kayoko and Higashijujo's epic showdown unfolds, it takes unexpected turns that no one could predict. Will Kayoko make a triumphant return to the literary scene and forge her path as an acclaimed author?
